

Bangkok, 9th March 2020

Dear Sir or Madam, dear Friends
and Sponsors of the DHV,

Due to the respiratory disease COVID-19 (Corona Virus), many events have been canceled or postponed on the recommendation of the Thai authorities.

Against this background, the board of the German Help Foundation has, in coordination with the German Embassy in Bangkok, decided also to postpone our "Festival of the Germans", scheduled for March 21, 2020.

We have not made it easy for ourselves with this postponement and hope for your understanding.

We are very sorry for this and ask for your kind understanding. Reducing the risk of infection through such preventive measures is certainly in everyone's interest.

With this letter we can assure you that we will announce a new date for the "Festival of the Germans" as soon as the situation has eased.

In addition, you can be sure that all admission tickets or sponsorship money already paid will of course remain valid.

We hope that we will be able to hold our popular festival very soon. Until then, we thank you for your valued understanding and for your loyal support of the social work of our German Help Foundation.

If you have any questions, please do not hesitate to contact our social center (Khun Sirirat Sukarapak 1@dhv-thailand.den) or the head of our festival committee (Mr. Frank Boer frank@dhv-thailand.de)

Sincerely yours,

Dr. Chumpol Thiengtham
Chairman
